

Benedict Schlepper-Connolly

Heidje

for Ioana Petcu-Colan

in memoriam Johanna Schlepper

Play very slowly and very quietly. Use open strings and discreet vibrato. Play with baroque bow if available. White notes are long. Black notes are short and passing.

Pause briefly between two adjacent long notes. Pause for longer between each bar. Pause until the chord rings out between each system.

A repetition applies to the whole bar unless otherwise indicated and should be played more slowly and more quietly than its antecedent.
