

# Breathing Notes

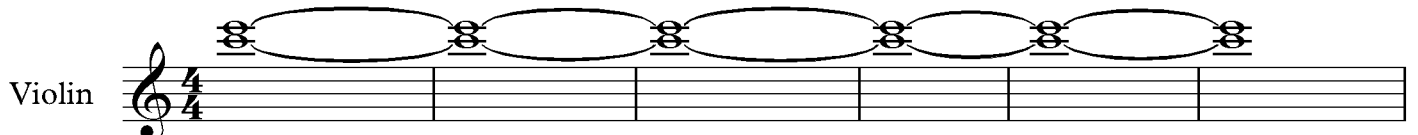

$\text{♩} = 82$  Constant and linear.

Metal mute (Con sordino) throughout. No violin vibrato throughout.

## Loop 1.

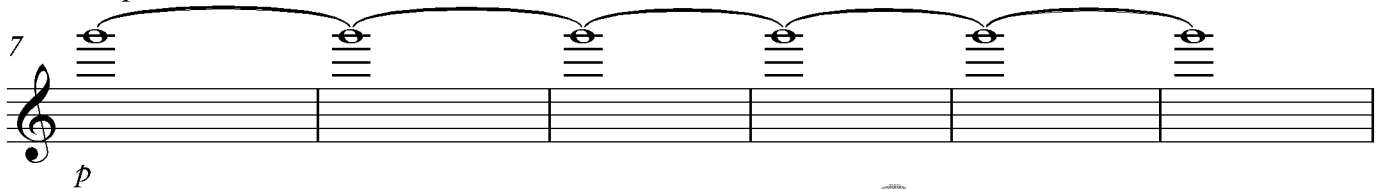

Click pedal with foot for it to record just when you start Loop 1. Click pedal again to stop recording just as you finish Loop 1, and continue without stopping to play Loop 2.

The Loop should then be set automatically. Play Loop 2 and the rest of loops without stopping.

*p* Player to breath out a constant soft air, as if you heard a soft wind (breathing in to be heard) slowly, a number times.

## Loop 2.

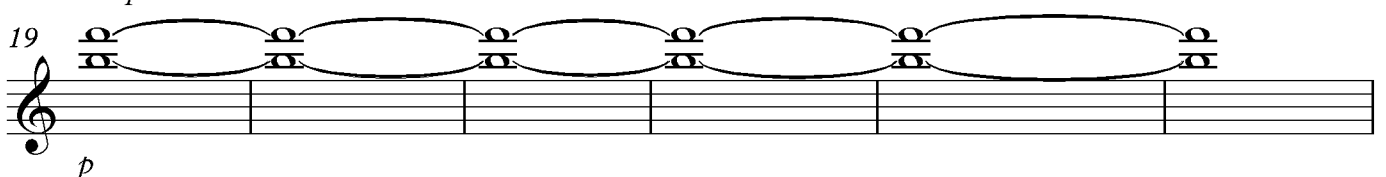

*p*

## Loop 3.

*p* Player to breath constant soft "ththththththth..." (breathing in to be heard) slowly, a number of times.

## Loop 4.

*p*

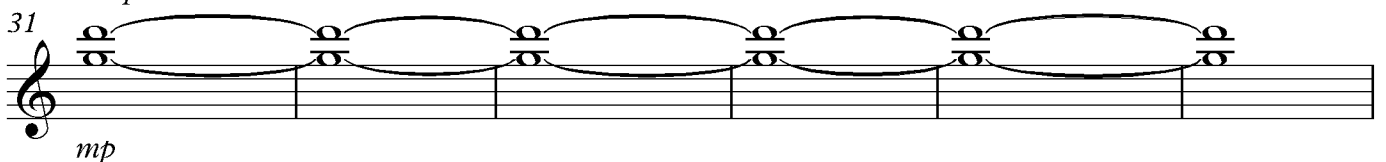

## Loop 5.

*p*

Player to breath out a constant soft air, as if you heard a soft wind (breathing in to be heard) slowly, a number times.

## Loop 6.

*mp*
