THE CONTEMPORARY MUSIC CENTRE is an archive and resource centre open to all who are interested in music in Ireland.

Our library contains the only specialist collection of music by modern Irish composers. We also have a sound archive, a sound studio and a collection of information materials of all kinds from concert programmes and biographical data to specialist periodicals and books.

The Centre is used by performers, composers, teachers, students and members of the public interested in finding out more about music in Ireland. Although we specialise in serious music, we are also the official Irish Music Information Centre and can assist with any general queries you may have, or put you in touch with other organisations. As a member of the International Association of Music Information Centres, we co-operate with similar bodies in more than thirty other countries worldwide.

The Contemporary Music Centre is an all-Ireland, non-profit educational organisation. It is funded by the Arts Council/An Chomhairle Ealaíon, the Arts Council of Northern Ireland, and the Irish Music Rights Organisation. Individual donations to the Centre qualify for tax relief under the provisions of Section 32 of the Finance Act, 1984.
