ARTIST RESIDENCY PROGRAMME 2022-2023

The Centre Culturel Irlandais celebrates its 20th anniversary this year. Two decades during which its annual residency programme has offered great opportunities to over 400 artists of all disciplines. Tapping into the resources of the CCI and the city of Paris has been described as 'transformational' by many former residents. For the CCI, the residencies are an important means of supporting artists and showcasing Ireland's dynamic contemporary culture on an international stage.

- Applicants must be Irish citizens or normally resident on the island of Ireland, with professional involvement in creative practice.
- Residencies of 1 to 3 months will be awarded for the period August 2023- June 2024.
- Travel from Ireland, accommodation and a monthly stipend are included.
